### Description

This card is made in a similar fashion to the popular Easel style cards, but instead is just a landscape fold enabling it to be stood up hence taking up slightly less space. It features another of the artists wonderful paintings - this one is called "Mountain Retreat" depicting a wonderful bright woodland scene complete with pheasants & deer alongside a lovely waterfall and stream. The topper image is matted onto brown & gold mirri paper to reflect the autumnal colours of the painting. The background paper of the card is also matted onto copper backing card. Flowers are a mixture of roses that again accentuate the colours setting off the card beautifully. Finished off with beautiful gold "gypsophila" sprigs and punched leaves.

The inside is similarly decorated to complement the outside and features a cream rectangle panel for the greeting to be placed on - if you desire to have a printed greeting placed on this, please ask prior to ordering - otherwise the panel will be left blank.

Truly beautiful card. I really loved the colours on this one, & especially how everything matched. Superb card for a superb price!!

Loved this card and such a ridiculous price for it too - the colours match up wonderfully and I particularly loved the matching inside too. Just perfect for the occasion!

This is absolutely one of the most beautiful cards I've found in a long time. I love THomas Kinkade's artwork, but this just makes it so much more affordable & accessible too.

Superb card for a special Christmas gift.
